

Dear _____:

We, the students and staff at Imagine School at Broward in Coral Springs, have once again made the decision to contribute to creating a world free of multiple sclerosis (MS). I invite you to do the same by becoming a sponsor of the **Eastep's Team Imagine MS Walk**, which will be held at our school on **Saturday, April 1, 2017 at 9:00 am**.

MS is a chronic, progressive and unpredictable disease of the central nervous system that affects many on a daily basis. From doing the simple things like holding a coffee mug in the morning, walking, seeing or playing, this disease makes life extremely hard and unpredictable. **There is no cure as of yet**. We'd like to change that! In order to increase awareness and raise much needed funds, our school has teamed up with one of our parents who is currently living with MS.

For nearly 30 years, **Walk MS** has played a vital role in the ability to provide direct programs and services to more than 7,500 South Floridians diagnosed with MS and their families. Last year, **Walk MS** raised over \$870,000 with the help of devoted businesses and individuals, like you, who help the mission of ending the devastating effects of MS.

***Your sponsorship will help us cover the cost of the event, including the event t-shirts worn by our more than 200 event participants!**

The **2017 Eastep's Team Imagine MS Walk** event shirts ensure that we are spreading awareness as we walk and also every time we wear them thereafter! All proceeds of this event will be going to the South Florida Chapter of the National MS Society, the recognized leader in funding more MS research than any other MS organization in the world.

The **2017 Eastep's Team Imagine Walk MS** event at Imagine School at Broward is a great opportunity for your company to increase its visibility, all while helping a great cause! By supporting our walk, Corporate, Local Business and Family sponsors, like you, make it possible for all of our Walk donations to go directly to the MS Society to underwrite important research, expand programs and promote community events.

We are seeking cash donations to help cover the expenses of this important event.

To become a proud sponsor of the **2017 Eastep's Team Imagine MS Walk**, complete the sponsor form below.

In appreciation of your generosity,

Eastep's Team Imagine Volunteer: _____
